Reliable **Value** **Anywhere**

The ultimate solution for heavy cargo and bulky storage

Our **40ft Open Top Shipping Containers** are ideal for bulky or heavy cargo that can't fit through standard doors or needs overhead access. Available with removable soft or hard roofs, they enable effortless top loading, which make them the ideal hire solution for industries handling large machinery.

Key features

- **Easily accessible –** Removable top for crane and forklift loading.
- **Open roof design –** Ideal for over-height cargo.
- **End door access –** Convenient for standard cargo handling.
- **Discounts for longer-term hires –** Extra savings on 18+ month terms.

Why hire 40ft Open Top Shipping Containers?

- **Transport large or heavy items –** 40ft Open Top Shipping Containers are built for bulky or oversized loads that don't fit in standard containers. They're ideal for transporting machinery, construction materials, vehicles or equipment by road or rail.
- **Easy storage for businesses and worksites –** Hiring 40ft Open Top Shipping Containers gives you extra space for tools, stock or machinery. It's ideal for busy worksites, growing businesses, or anyone needing short-term storage without the cost of buying.

"Container arrived exactly on time and was exactly what they said and is excellent condition inside and outside truck driver very experienced and located it in correct position and would recommend to anyone."
